STORAGE THAT WORKS FOR YOU

A better way to right size your space.

For many exploring Independent Living options, it isn't just about choosing an apartment, and the biggest uncertainty isn't the move itself, but how your life will fit into a new space. At Melody Living Lake in the Hills, we consider every detail of your home so you can move in with confidence. Through our partnership with Chicagoland Home Products, Independent Living residents can personalize their closet space with thoughtfully designed storage solutions that make your home work for you and help you feel more settled, organized, and at ease, right from the start.

HOW IT WORKS

What you can personalize within your space.

This time-limited offer includes a \$2,000 closet design allowance, giving you flexibility within a structured process.* If you'd like to expand beyond that amount, additional options are available at your own cost.

All configurations are completed through Chicagoland Home Products, our approved closet design partner, using a consistent white shelving system to keep the process simple, cohesive, and easy to manage.

***Please note:** Custom closet options are exclusively available to Independent Living residents at Melody Living Lake in the Hills and may vary based on apartment layout, approved materials, costs and vendor specifications. Offer valid for move-ins that occur from the start of the incentive through July 31st, 2026. Financial possession must occur no later than July 31st, 2026. Please speak with a sales representative for full details.

OUR PROCESS

A clear, comfortable process from start to finish.

Once you become an Independent Living Resident at Melody Living, a sales representative from Chicagoland Home Products will walk you through the available closet configurations, including practical storage options such as shelving, drawers, hanging space, and hooks. All closets are completed within Melody Living's approved design standards, including approved hardware, and vendor-approved installation guidelines. Once your preferred configuration is selected, the approved vendor will confirm the final layout and prepare for installation.
